

# PB-105T

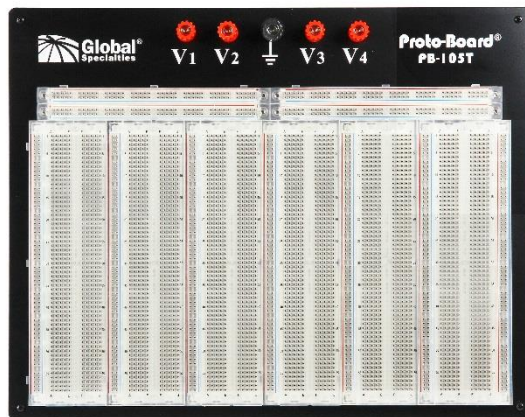

## Transparent 4880 Tie-Point Breadboard

Externally  
Powered  
Breadboards

Nickel plated  
phosphor bronze  
contacts

ABS plastic

Aluminum  
backplate

### Specifications

|                      |                               |
|----------------------|-------------------------------|
| Type                 | Externally Powered            |
| Tie-Points           | 4880                          |
| Terminal Clips       | 976                           |
| Breadboard Material  | Transparent ABS               |
| Spring Clip Material | Nickel plated phosphor bronze |
| Length               | 30.7 cm                       |
| Width                | 24 cm                         |
| Depth                | 2.5 cm                        |
| Weight               | 888 g                         |
| Assembly             | NA                            |
| Backplate            | Aluminum                      |
| Binding Posts        | 5                             |
| Current Capacity     | 1.5 A, 36 V                   |
| 16-Pin IC capacity   | 42                            |
| Stand                | Rubber feet                   |
